

United Nations Development Programme

MetMUNC XLVIII

Welcome Letter

**Chairpeople: Jaime Levy, Jessica Klein,
and Srijan Sai**

Dear Esteemed Delegates,

Welcome to the United Nations Development Programme of MetMUNC XLVIII at POBJFK High School! We are very excited to be serving as your chairs for this conference. UNDP is a committee that advocates for sustainable change to support developing countries and help people build a better life for themselves by helping countries achieve the Sustainable Development Goals (SDGs). During our conference, we will be debating three issues that UNDP currently faces: **The Yemen Famine, Access to Medical Supplies, and Disaster Preparedness.** It is our hope that as delegates, you will be able to find resolutions to these issues to ensure that even the least developed countries can maintain life's necessities.

My name is Jaime Levy and I cannot wait to be one of your chairs. I'm a senior at POBJFKHS and this is my fourth year in MetMUNC. I'm also one of our club's chief chairs. I love being a part of MetMUNC because it makes me see the world from a new point of view, and I love learning about global issues and politics from a new perspective. Outside of MetMUNC, I enjoy playing the baritone saxophone and listening to Hamilton (yes I know all the lyrics). I'm also very interested in math—I am currently the president of Mathletes and will be attending college next year as an Applied Mathematics major. I can't wait for an awesome committee with you all!

My name is Srijan Sai and I am a sophomore here at POBJFKHS (Yes I know that is a terrible acronym). This is my first time chairing and in addition to MetMUNC, I also participate in our school's quiz bowl team, track team, and tennis team. In my free time, I enjoy reading novels, playing sports, and listening to music (My favorite artist is Lil Tjay for anyone who knows who that is). I hope we can all collaborate to swiftly resolve our pressing issues presented to us in this committee.

My name is Jessica Klein and I also am a sophomore here at POBJFKHS, and this is my first time chairing. Outside of MetMUNC, I enjoy acting and singing, as well as watching Broadway musicals (Be More Chill is the best). I love reading and helping people in any way I can. I participate in many of the clubs at school as well, such as Kids On The Block and radio. I can't wait to have an amazing committee with you!!

The three of us are looking forward to seeing what is accomplished during our day together, and seeing what ideas and perspectives each nation can bring to our conference. See you soon!

Best Regards,

Jessica Klein
