Historical Committee

MetMUNC XLVIII

Topic: Welcome Letter

Chairpersons: Joshua Feller and Aidan Davis

Esteemed Delegates,

It is our greatest pleasure to welcome you to the 48th annual Metropolitan Model United Nations Conference at Plainview Old-Bethpage JFK High School! As your chairs, Joshua Feller and Aidan Davis, we are thrilled to chair Historical Committee this year. We are extremely excited to see how you will be able to resolve The issue that we will be covering through all of the committee is the issue of **Restoring Order to Sengoku Japan.**

My name is Joshua Feller and I am currently a junior at POBJFK High School. This is my third year in Model UN and my second year as a chair! I am a huge history nerd, especially the more unknown historical events like the Sengoku Jidai. I am also an avid fan of debating just about anything, therefore, I turned to Model UN. This past summer I spent time at two different programs at Harvard University and Yale University learning how to improve and lead in Model UN. Outside of Model UN, I love watching Youtube videos and spending time with my friends. Hopefully I can keep committee enjoyable and lively, but serious and debateful!

My name is Aidan Davis and I am currently a sophomore at POBJFK High School. This is my second year participating in Model UN and my first year chairing! I am very interested in history and politics, so Model UN was the obvious choice for me. Over the summer, I interned for Nassau County Legislator Josh Lafazan, and I was recently selected as my school's HOBY ambassador. In my school, I am the secretary for the Sophomore Student Government, and a part of the junior varsity Quiz Bowl team. I play flag football on the weekends, as well as participating in the Mid-Island Y JCC's "Teens as Leaders" program, where I participate in multiple community service events throughout the year. I look forward to meeting all of you and hearing your ideas as to how to solve the Sengoku Jidai!

If anyone has a question about the topic or just want to talk about history or politics, feel free to reach out to either of us at <u>jfeller6@verizon.net</u> (Joshua Feller) and <u>adcd0405@gmail.com</u> (Adian Davis).

Your Honorable Chairs,

Joshua Feller
