

Disarmament and International Security (DISEC)

MetMUNC XLVIII

Topic: Welcome Letter

Chairpersons: Grant Gordon and Brian Lee

Distinguished Delegates,

We are very proud and excited to welcome you all into the forty-eighth anniversary of the Plainview Old Bethpage Metropolitan Model United Nations conference and the inauguration of the Disarmament and International Security committee. We, Brian Lee and Grant Gordon, will be your chairs for this conference on December 14th.

My name is Brian Lee. I am a junior here at POBJFK and have been part of Model UN for three years with this year being my second time chairing and my first time as an acting chief chair. Outside of MetMUNC, I also participate in Science Olympiads, Science Honor Society, and our school's volleyball, basketball, and track teams. I am also an avid participant in our school's independent research program and I hope to be a future surgeon. I hope that we will achieve a lot in committee through debate and well planned solutions!

My name is Grant Gordon. I am a senior here, and this is my fourth year as part of MetMUNC. I have been a delegate for four years and this is my first time chairing. Outside of MetMUNC I am involved in the mock trial club, Varsity ice hockey team, and I am the captain of the Varsity roller hockey team. I also enjoy building computers, gaming, and airsoft. I look forward to meeting you all and am very excited to see all the solutions you come up with!

The Disarmament and International Security Committee deals with disarmament, global challenges, and threats to peace that affect the international community and seeks out solutions to the challenges in the international security regime. This conference will stimulate a meeting where together, countries will discuss and solve the most prominent problems in keeping the peace of the international community. Together as a committee we are responsible with swiftly bringing about a solution to these pressing issues. We advise every delegate to thoroughly research the topic and to become well-rehearsed on their country's views.

We would both like to thank you for attending this conference and our committee. We are sure that you will all enjoy your time here and we are looking forward to meeting you all.
